

THE ROCKHILL TROLLEY MUSEUM LEHIGH VALLEY TRANSIT DVD COLLECTION NEW FOR 2011!

THE CITY LINES OF THE LEHIGH VALLEY TRANSIT COMPANY 1947-1951

This new 2 disc set includes over 110 minutes of nonstop trolley action captured by Gerhard Salomon on Lehigh Valley Transit's city lines in Allentown, Bethlehem and other nearby communities from 1947 to 1951. Most of the various classes of passenger equipment in use at the time are included. Footage featuring work and freight equipment is also showcased. Both discs include relevant historic route maps and narration throughout.

Northampton

A ROUND TRIP ON THE LIBERTY BELL LIMITED

Released in 2009

Step back in time and enjoy 57 minutes of color footage Gerhard Salomon captured from 1947 to 1951 and never before released.

The disc is narrated (with music), features the former Cincinnati and Lake Erie "10 Hundred" cars, and covers Lehigh Valley Transit Company's entire Liberty Bell Line from Downtown Allentown to Philadelphia's 69th Street Terminal.

THE EASTON LINE 1947-1949

Released in 2010

Featuring the films of Gerhard Salomon, this 55 minute DVD presentation is narrated (with music) and focuses exclusively on the operations of the Lehigh Valley Transit Company's Easton Line.

A wide variety of equipment and locations are showcased along the line from Allentown to Easton. Footage from the last day of public service and other special operations is included.
